AUGUST/SEPTEMBER 2020

Mr. K's Thought of the Month

Welcome back to another school year!!! The students have been outstanding through the first week of school. I am impressed with how everyone is adapting to all the changes during the school day and absolutely thrilled on how well our new kindergarten kiddos are transitioning to the school routine in general!!!! Thank you for your continued support and please let me know if you need anything at all!

PTO

As of right now, there will not be any face to face meetings for PTO. The meetings will occur via Zoom conferencing. The PTO had their first meeting before school began and our school owes them a huge thanks!!! The PTO purchased MobyMax and Reading A to Z (RAZ) Kids for the school. These are great supplementals for teachers and kiddos to help with learning accommodations and/or extensions. Thank you, PTO!!!

Health Checks

Now, more than ever, it is important to evaluate your student's health before sending them to school. We have posted a parent checklist on our webpage (the link is below). Please refer to this checklist when you are questioning if your student should attend school or if they should stay/quarantine at home. Students who become sick at school need to be picked up immediately from the school. This may mean that some families need to set up a secondary transportation pick up plan. Call the school with any questions, comments or concerns.

Breakfast/Lunch

Please note the changes in prices:

Lunch: Regular-\$2.65, Reduced-\$0.40

Breakfast: Regular-\$1.00, Reduced-\$0.30

The school district would appreciate every single family to fill out a free and reduced lunch form even if you do not feel that you would qualify. Please call the office if you need a copy of the form.
