Safety Reminder

Please remember to abide by the school zone speed limit when dropping off and picking up your students from school. We have had several vehicles (mostly tractor trailers) traveling faster than the posted 20mph. We are on a busy road with many out of state/non local drivers on it. We can work together as a community to ensure our students and staff are as safe as possible. The school and the ACPD thank you!

Apple Creek Fire Department "Homework"

Chief Zimmerman and the ACFD are encouraging all students to complete a safety/evacuation plan for their households. Please have your student turn these into their teachers. The ACFD will be rewarding a \$3 Golden Bear gift certificate to all who complete them. Upon return, please have your student post these on a wall or the refrigerator to review in the future. Thank you, ACFD!

Virtual Book Fair

Mr. Todaro has scheduled a virtual book fair for the students. The dates for the Scholastic Virtual Book Fair are November 16 through November 29. The link is: <https://www.scholastic.com/bf/applecreekelementaryschool1> (will go live on 11/16)

Food Drive

Partnering with the Apple Creek United Methodist Church, we will have our annual food drive from November 9 through November 13. Please donate if possible.

Health Checks

Now, more than ever, it is important to evaluate your student's health before sending them to school. Do not send your student if they are ill. **Students who become sick at school need to be picked up immediately from the school. This may mean that some families need to set up a secondary transportation pick up plan. The school nurse, secretary or principal will inform you of when your student can return to school and what procedures need to be followed when sent home with an illness.** Call the school with any questions, comments or concerns.

November Wellness Corner ~ Marnie Reber soea mreber@tccsa.net

Can you believe it? The holidays are right around the corner! Our celebrations may look different this year, but still there are lots of opportunities to make meaningful memories with your children. Now, perhaps more than ever, we need to set aside time to sit with our children, with no phones or computers to distract us. Here are some ideas for conversation starters: What was your rose (favorite thing) and thorn (least favorite thing) about today? • If you could have a superpower, what would it be? • What is your favorite book/song right now and why? • What is something new you would like to learn? • If you had the opportunity to change the world, what would you do? Try some of these out and enjoy your time together. Stay well!
