JANUARY/FEBRUARY 2021

Safety Reminder

Please remember to abide by the school zone speed limit when dropping off and picking up your students from school. We have had several vehicles (mostly tractor trailers) traveling faster than the posted 20mph. We are on a busy road with many out of state/non local drivers on it. We can work together as a community to ensure our students and staff are as safe as possible. The school and the ACPD thank you!

Illness/COVID-19

Please contact the school if your student is ill (as always), if your student is being tested for COVID or if they were in contact with someone who had COVID. Apple Creek's nurse, Sara Stewart, will be able to help guide you through what to do and to identify if your student needs to quarantine and the duration of that quarantine. The Southeast Administrative Team will continue to send updates from the Wayne County Health Department and any COVID related information through FinalForms.

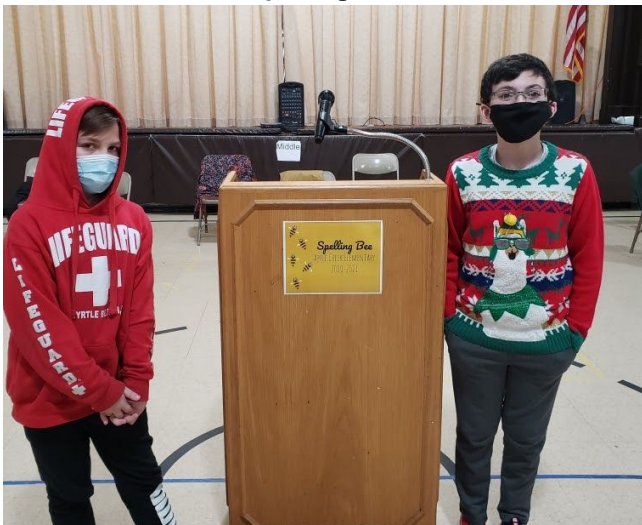

PTO

Even though we could not have our annual day before break bake sale, our wonderful PTO provided snacks, drinks and cookies for each of our students for a holiday party on December 18th. Also, PTO purchased Sumdog, an engaging personalized math website account, for the entire sixth grade. The PTO is so good to our school!!! Thank you!!!

Conferences

Mark your calendars. Apple Creek conferences are on February 8th and 10th from 3:30 to 7:00. All conferences will be over the phone, through Google Meet or Zoom. There will be no face to face meetings with teachers. More information will come out soon from your student's classroom teacher.

ACE Spelling Bee

Congratulations to Riley Callihan (winner) and Cameron Rabatin (runner up).

Wellness Corner ~Marnie Reber

Welcome 2021~a time for new beginnings and opportunities. We are hearing the word **resilience** quite often these days. Since resilience is the ability to bounce back from stressful situations, COVID-19 is giving us lots of opportunities to build our collective resilience, isn't it? Did you know that there is a network of support in Wayne County called the **Wayne Resilience Network**? Their website has resources for adults, parents, teens and professionals. Take a look and see the variety of supports that are available: <https://interventionhero.wixsite.com/resilience>. I hope you will join in our **Conversations and Connections** on Tuesday morning, January 12th, at 10:00 a.m. and Thursday evening, January 14th at 6:30p.m. Our topic will be the importance of routines. Contact me directly for zoom links and more information. Happy New Year!
