Wellness Corner

Hello Families – Welcome to May. Very soon it will be summer vacation! Here are some suggestions for reviewing this year and planning for summer:*

- Talk to your child’s teacher. Ask what you can do to help your child over the summer.
- Talk to your child about the school year. Ask what went well. What was challenging?
- Review your child’s successes. Look over schoolwork you’ve saved during the year. Point out how much your child has learned.
- Help your child set learning goals for the summer. How much time will he spend reading?
- Encourage your child to thank people who have made the year work—the teacher, school nurse, librarian, food service worker, etc.
- Celebrate the year’s accomplishments with a special activity. It doesn’t have to be elaborate or cost anything. Just make plans to enjoy one-on-one time with your child.

I encourage you to check out more tips and ideas for summer on our district website. There are many resources available on the website. Take a few minutes to check it out: <http://www.southeast.k12.oh.us/district/student-wellness#>. If you have any questions or need information, please let me know. Have a wonderful summer!
