SEPTEMBER 2022

WELCOME BACK GOLDEN BEARS!!!

PTO Update

The PTO is looking for more parents to be a part of the team. If you are willing to help out in any way, please contact the office. As a reminder, you do not need to be a PTO officer to participate in meetings and events. Thank you for your consideration!

Lunches

Please be advised that we will be returning to regular priced breakfast and lunch. If you filled out paperwork for your child and qualified for either reduced or free meals for 2021-22, this will remain the same until you reapply for the 2022-23 school year. If you did not fill out paperwork or qualify, your child will need to have money on their My School Bucks Account or have money with them to eat breakfast/lunch. **Paperwork should be filled out at the beginning of the year if you think you may qualify and returned by 10-5-22. Full payment for meals is required until applications are received and processed.**

- Student Lunch Prices:
 - Grades K-6 \$2.65
 - Reduced Lunch .40
- Student Breakfast Prices:
 - Grades K-6 \$1.00
 - Reduced Breakfast .30

It is extremely important that each family fill out a free and reduced lunch form to see if you qualify. Call the office if you need another form or with any questions.

Classroom Treats

Classroom treats are allowed as long as your child's teacher is informed and has agreed to having a treat in the class. Due to safety and allergy reasons, homemade treats are not allowed. Prepackaged and store bought treats are best in these situations.

Door Reminders

You have all done an amazing job with school arrival and dismissal over the last two weeks. Here are a few reminders to make sure students, staff and all community members are as safe as possible.

- The east side doors are used for drop off in the morning. Doors open at 8:45 and close at 9:00 for K - 6 students. Parents are not permitted to use this door. Staff will always be at the door during arrival. This door is not used for dismissal.
- The front door is for walkers and hill drop offs in the morning. This door is used the same in the afternoon. Parents are not permitted to use this door. Staff will always be at the door during arrival and dismissal. Please abide by the school speed limit during arrival and dismissal since students do need to cross the street. **Thank you to our wonderful crossing staff and the ACPD for all they do to make sure our kids are as safe as possible.**
- The west side doors are used for bus drop off in the morning and bus loading in the afternoon. This is also the door you use if you need to enter the building to sign in/out your child. When you press the doorbell someone in the office will answer and you must come straight to the office once buzzed in. Wandering the building is not allowed for safety reasons.
- The Apple Creek Police Department and Apple Creek Fire Department help us to ensure continuous safety with our protocols. A huge thanks to both departments!!!
