Sign up now!

February 28, 2019

- Reading Academic Night & Make-it, Take-it Workshop

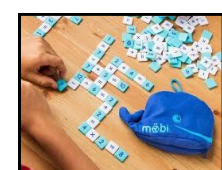

We hope that you plan to attend this last parent involvement event of the school year! We've enjoyed spending time with your families and we hope that you were able to attend our previous events that have taken place this year.

Reading Academic Night is a special night for your child(ren) to spend interacting, playing games and learning reading skills along with other students from our district (grades K—6). We'll have several games set up at your child's grade level that teachers will be actively participating in with your child. This will be a fun time to get together with their friends... and meet new friends from across the district! We hope that you plan to bring your child(ren) to this event! **Drawings held for prizes!**

Make-it, Take-it Workshop

We'll have tables set up for parents to make educational games to take home. FREE supplies and ideas to help you create something educational to share with your child at home. Please plan to attend our **Make-it, Take-it Workshop!** Your child(ren) will be busy having fun and you can take a break to be creative and enjoy time with other adults. You can have your completed projects laminated to keep them durable for multiple use.

We will have prize drawings for all parents participating

Academic Night ~ Games

Make-it, Take-it

Please return registration form below by February 15th to attend!

YES! My child(ren) is planning to attend the Academic Night
