

# MATH ACADEMIC NIGHT ~ *Invite*

ELEMENTARY STUDENTS KDG—6TH GRADE

Tuesday, Feb. 20, 2018 / 6:00—8:00 pm at Waynedale HS

Your child will receive **5 BONUS POINTS** for attending Academic Night!

We have enjoyed spending time with the students in our district, along with their families at our activities that took place throughout this school year.

We hope you were able to attend!

**PIZZA \* CHIPS \* COOKIES \* DRINK PROVIDED!**  
Food served from 6:00-6:30 p.m.

## Math Academic Night / 6:30—8:00 p.m.

A special night for your child(ren) to spend interacting, playing games and learning math skills along with other students from our district (grades K—6). We'll have several games set up at your child's grade level that teachers will be actively participating in with your child. This will be a fun time to get together with their friends... and meet new friends from across the district! We hope that you plan to bring your child(ren) to this event!

## Make-It, Take-It Workshop / 6:30—8:00 p.m.

We'll also have a place for parents to make educational games to take home. FREE supplies and ideas to help make learning fun and give you something educational to share with your child at home. Please plan to attend our **Make-it, Take-it Workshop!** Your child(ren) will be busy having fun and you can take a break to be creative and enjoy time with other adults. You can have your completed projects laminated to keep them durable for multiple use.

Please return registration form below by February 9th to attend!
