

District Update March 13

Home Based Instruction:

Our goal is to maintain student skills that have already been taught this school year. With this practice, students will be able to return to school and pick-up where they left off.

Teachers have prepared educational packets and/or online learning content for students to complete during this time. By the end of the day Monday, March 16, all home based instructions will be posted to the building websites. Teachers' email addresses are also located on our website under the contact tab if your child needs support.

Technology:

Chromebooks were sent home to students that requested them, however if you are in need of one please contact the office and we will make arrangements to provide one.

Student Lunches:

Starting Wednesday, March 18, grab-n-go lunches will be available to any k-12 student from 11:00-12:00 at your local elementary school main entrance.

Athletics:

All WCAL sporting events including practices, scrimmages, and games are canceled until April 5.

Office Hours:

At this time all building offices, including the board office, will remain open from 8:00-3:00.
