Wellness Corner

Hello Families ~ Spring is right around the corner! How exciting to see the snow melt away and look forward to a new season! I'm excited to invite you to a special event~ our first annual Golden Bear Ability Fair. This free event for families will be April 7th from 6 -8 p.m. at John R. Lea. This is a resource fair for parents and will include community partners from a variety of Wayne and Holmes County agencies. There will be information for parents about preschool through high school and beyond. There will be something for everyone. If your child receives intervention services of any kind or if you have questions about summer this event is for you! I hope you will save the date and plan to join us on April 7th. Watch for information on your school's Facebook page and websites. I am enjoying meeting more families and students as our year progresses. This event will give us another opportunity to continue to learn together. See you soon! ~Marnie Reber, District Wellness Coordinator, soea_mreber@tccsa.net.
