I, parent/guardian, of the student(s) listed above, have elected to enroll my child(ren) in the online learning program with the Southeast Local Schools for the 2020-2021 school year. This program of learning was created as a result of the COVID-19 virus pandemic and may not be an option in future school years.

In order to create the best environment for learning, I agree to the criteria outlined below. **I understand that the school can terminate the online learning of my child(ren) after I have been given 2 warnings about lack of engagement (both written).** I must turn in this commitment form by December 18, 2020 to secure my child(ren)'s spot in the online learning class for the second semester. Failure to complete this form could result in a return to in person instruction.

I agree to the following and will participate as outlined below, or my child(ren) will be expected to be in attendance at school in person for the 2020-2021 school year (please initial next to each item):

- _____ I will review the parent/student orientation that includes training on technology.
- _____ My child(ren) will meet the grade level attendance and seat time expectations as outlined for his/her specific grade level.
- _____ I will secure access to reliable internet and ensure that this is maintained through the course of the school year.
- _____ I am liable for any damage that occurs to the school-issued device and will pay for the replacement to ensure that my child can meet his/her learning goals.
- _____ I understand that grading, assessment and reporting policies are consistent with in-person instruction.
- _____ I understand that if my child receives special education related services, these services will be provided within the school day hours.
