

Wayne County Health Department

Public Health
Prevent. Promote. Protect.

Nicholas V. Cascarelli, Ed.D
Health Commissioner

Kathryn Helmuth, MD
Medical Director

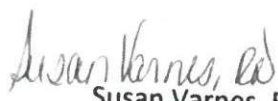

Dear Parents/Guardians:

The Wayne County Health Department is partnering with Southeast Local Schools to offer on-site immunizations during kindergarten registration, as well as during 7th grade orientation. Utilizing the service is completely voluntary and is offered to ALL students, regardless of insurance coverage. There will be nurses from the Health Department on site to review your child's immunization record to ensure that they are up-to-date on their vaccines, as well as give any immunizations needed that day. There is a small fee of \$10 per vaccination, however, no child will be refused for the inability to pay. We can accept cash, check, credit or debit card as well as most insurances including Medicaid.

As a parent, nothing is more important than your child's health and safety. Immunizations are the best ways to protect not only your child, but also the community. The state of Ohio has required vaccines for school attendance and requires that a record be provided to the school showing proof of vaccination. We will be happy to discuss any of your vaccine concerns or questions as well as assist you in providing proof of vaccination to the school.

If you wish to participate, please bring along your child's immunization record, and Caregiver Consent (if applicable). If you should have any questions or concerns prior to the dates of kindergarten registration or 7th grade orientation please don't hesitate to contact Stacey Ramseyer, RN or Dawn Steiner, RN.

Sincerely,

Susan Varnes, RN
Patient Care Director

Stacey Ramseyer, RN
