Spring Fling

April Goals

1. 10/13 2nd graders will show growth on their spring iReady reading benchmark.
2. 10/13 2nd graders will show growth on their spring iReady math benchmark.
3. Mrs. Miller's 2nd grade class will have 10 shining star clip ups in the month of April.

Take Note

- The K-3 students will be presenting their musical, "Hats!" on Thursday, May 2! It will begin at 7 pm in the Holmesville Elementary gym.
- The students have been doing a wonderful job researching and learning about their famous Americans! Posters and fact sheets came home this week. Please encourage your child to begin working on his/her poster. Famous American posters will be due on May 9.
- The students have been working hard to complete our end-of-year math and reading iReady benchmarks! Not only did they meet their April goals, but each and every student made growth in both subject areas!! I am so proud of them! To celebrate, the students have earned doughnuts from Dunkin'! YAY☺
