

5th Grade Newsletter

April 29 - May 30, 2024

A peek at the upcoming weeks

MATH: soea_carter@tccsa.net OR lpittman@waynedale.us

~Continue Unit 7: Mixed Number *, Geometry, & Graphs

~Revisit rules, tables, and graphs and watch Old Faithful in Yellowstone National Park via a webcam

~Work on Economics Fair Task: create a business, come up with a product that is feasible to create, make a prototype, assign a price, make multiples of the item, advertise, select a rental location, and sell for a profit

SCIENCE: soea_dheld@tccsa.net OR dheld@waynedale.us

The last two and a half weeks of the year we will work on science and explore the scientific method. We will learn about the correct steps when researching and designing experiments, how to collect and use data to make observations and conclusions. There will be no test over the material covered.

SOCIAL STUDIES: soea_dheld@tccsa.net OR dheld@waynedale.us

This week we will continue our economics unit and explore taxes, supply and demand, creating a budget, and learn about consumers and producers. We will have a quiz over the material covered next Wednesday.

LANGUAGE ARTS: soea_rising@tccsa.net OR srising@waynedale.us

We will work on our pop bottle biography research projects starting April 29 and continuing these the month of May. We will read a book on our famous person and write a research paper. These will be due May 10. When we return from camp, we will work on making a pop bottle replica of the famous person we researched. These are due on May 24. We will be presenting our projects in the gym on May 29, 2024 from 9:30-10:30 am.

I will continue reading The War That Saved my Life by author Kimberly Brubaker Bradley. This is an historical fiction novel. This will be our last read aloud of the year.
