(Financial assistance available for families with limited income)

The preschool classes will begin on the first day of school for all students in the district (if your child would normally attend on that day) and will follow the school calendar year. Our district calendar for 2016-2017 is available on our web-site at www.southeast.k12.oh.us

Children must be four years old on or before August 1st (for 4-5 year old program), and three years old on or before August 1st for 3 year old program to enroll at the beginning of the school year. If your child is not of age by August 1st, and you would like to enroll them during the school year when they turn of age, you may enroll them if there is an opening at that time in the desired program. Early entry to preschool will not qualify or warrant early entrance to Kindergarten. They must also be completely toilet-trained, and have immunization and physician's medical examination on file prior to the first day of school.

Registration is now open. Until March 31, priority will be given to children of the Southeast Local School District and preschool students currently in attendance. After March 31, enrollment of out of district residents will be considered on a "space available" basis.

If you are interested in this high quality preschool experience for your child, please complete the attached registration form and return it to: **Southeast Local Schools**, 9048 Dover Road, Apple Creek, OH 44606. A non-refundable \$30.00 registration fee is required to hold a space for your child.

If you have any questions, please call Holly Mastrine, Director of Curriculum and Special Programs, at the Board Office 330-698-3001.
