- History: Dr. Martin Luther King and The Civil Rights Movement

### Math

- Multiplication Facts Strategies
- Finding Patterns in Products
- Missing Products

Our class what hit hard with the “jimmy germs” last week. Hopefully we are all on our way to recovery and this will be a healthy, happy, class this week! This is just a quick reminder that your child must be fever-free for 24 hours before they return to school, and while I know it is difficult to determine sometimes, it really is better to error on the side of caution and keep your child home if he/she isn't feeling well, and yes, I have three fingers pointing right back at myself!
