Classroom Happenings

~ What we are learning and focusing on this week.~

ELA

READING:

With the snow, cold, and ice days delaying or canceling school over the past two weeks, we have been playing "hurry up and catch-up." We finally finished our i-Ready Assessments and will work hard to finish up our Leadership Unit in Reading this week focusing on the following skills.

- Comprehension Strategy: Visualize
- Comprehension Skill: Cause and Effect
- Vocabulary Strategy – Idioms (Figurative Language)

Science and Social Studies

- Social Studies: Leadership skills and what it means to be a leader.

Math

- All-school MATH CELEBRATION: 100 DAYS OF SCHOOL
- UNIT 5

CELEBRATING MATH

It is very hard to believe but this week we will have been in 3rd grade for 100 days! Celebrating the 100th day of school is a great time to pause and acknowledge students' progress since the beginning of the year and to focus on Math. So, our **whole school is celebrating Math this week with special activities.**

It will culminate with our bowling trip on Friday. (Keeping score in bowling takes a lot of math skills!) It is sure to be a great week!
