- Biomimicry

Math

- Unit 7
- Unit 7 - Measurement and Fractions

~ What we are learning and focusing on this week.~

The weather this week promises to be typical ever-changing, sometimes crazy, Ohio weather. As a reminder, please remember to prepare your 3rd grader for the unexpected, and send your child to school each day with a jacket and/or hat, gloves etc., as the weather can change abruptly during the day. Thank you.
