IMPORTANT DATES AND REMINDERS

Mark your calendars

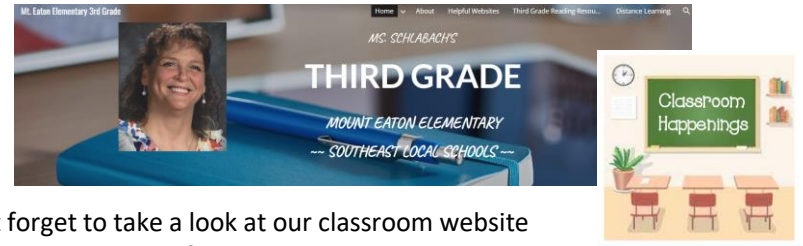

Sept. 4, Labor Day – (no school)

Sept. 8, Picture Day

LOOKING AHEAD:

Sept. 11, Fair Day (no school)

Don't forget to take a look at our classroom website periodically. You can find the link above. I posted some classroom happenings photos recently. Click the "Classroom Happenings Icon" on the website to check them out.

Classroom Happenings

~ What we are learning and focusing on this week.~

This week students will be taking the i-Ready Diagnostics for both Reading and Math. This diagnostic gives us valuable information and helps us identify strengths, as well as areas of improvement for each student in 3rd grade.

English Language Arts

If we get finished with i-Ready Assessments, we will begin working in our Wonders Reading Writing Workshop and Anthology Books.

Math

Unit 1

- Time,
- Bar Graphs
- Introduction to Multiplication Strategies

Science: Introduction to Science; Scientific Inquiry; The Scientific Method- Design Process

Just to let you know...

Your child is welcome to bring a snack from home for snack time each day. Since, our lunch isn't until 12:00 this year we will usually have snack break around 10:15 in the morning. **This is also a reminder to send your 3rd grader with a water bottle every day.** It is a researched fact that our brains function better when they are hydrated. Water bottles give the students access to drinks in the classroom and are less likely to spill than open cups. Thanks for helping us out with this!
