

# Triple P Positive Parenting Program

Anazao Community Partners | 330.264.9597

**Are you a parent or guardian wondering what to do about any of these common childhood problems?**

Bedtime Difficulties  
Disobedience  
Interrupting  
Poor Eating Habits

Bedwetting  
Fighting  
Misbehavior in Public  
Stealing  
Truancy

Being Disrespectful  
Homework  
Not Listening  
Swearing  
Whining

Bullying  
Hurting others or biting  
Not Following Directions  
Tantrums

Triple P is here to help with simple to use, proven to work behavior management strategies. In one-on-one sessions tailored to meet individual family needs, parents/guardians meet regularly with our providers to address their concerns about problem behaviors they are experiencing at home. The length of treatment is determined by the number and severity of behavioral difficulties identified.

**There are two different Triple P Programs available at Anazao Community Partners:**

**Standard:** For parents/guardians of children up to age 12

**Stepping Stones:** For parents/guardians of children with Autism, communication difficulties, and other developmental concerns.
