## Special Notes:

\*\*\*\*\*

It was another great week in second grade! We have read many Laura Joffe Numeroff books, worked on sequencing, vocabulary, and comprehensions skills We completed writing and illustrating our second grade book called if you Give A Tiger a Tootsie Roll. Your child played a Kahoot game on the computer. Ask

them what those are! Today we enjoyed Moose Muffins and made a sequencing hat and they also made a cute dog in art that went along with our stories.
