## **Vacancy Announcement**

**POST: January 18, 2024 / Application Deadline: *until filled***

*Waynedale High School*

### **Assistant Track Coach**

#### **NOTE TO APPLICANTS:**

As the 2024 Waynedale High School Track and Field Season quickly approaches, we are currently looking for a new Assistant Throws Coach (paid position). This individual will need to be somewhat knowledgeable in the area of Shot Put and Discus, or at least, willing to learn these events with guidance from other coaching staff. This person also needs to be able to work well with high school students as they will be working directly with both the Boys and Girls Teams (sidenote: we do have very respectful and great kids on the team). Practice starts at 3:00 each day but I am more than willing to work with times if needed such as those with elementary staff schedules. This is really a great opportunity for anyone interested. Not only do we have great athletes to work with but we also have a great coaching staff that works very well together. With the growth of the team over the last several years, this is an exciting time for Waynedale track. If you are interested in helping out with this program, know someone that may be, or have questions about the position, please contact me directly either through email, text, or phone and I will get back with you as soon as I can.
