Scholarships - WHS is once again part of the Wayne County Community Foundation Scholarship Guide. A BIG thank you to the Fredericksburg American Legion for sponsoring this year's Scholarship Guide. Every senior should've received a guide over Christmas Break. Inside this book you will find many scholarships, including local, county, state and national opportunities. Students can also check Google Classroom - Class of 2022 for current scholarship information.

College Visits – Juniors and Seniors have 3 college visits per year to use as excused absences to step foot on a college campus and meet with an admissions representative. Students must complete the College Visit Form (located in the office) prior to going on a visit. When students return they must submit a letter from the admissions office at the College/University they visited.

Transcripts – Students needing transcripts for scholarships and college applications must complete the Transcript Request Form in Google Classroom - Class of 2022.

CONGRATULATIONS!!

Please help us congratulate Mr. Chris Lapish, Athletic Director, on his attendance at the National Athletic Director's Conference held in Denver, Colorado. Mr. Lapish has been recognized by the National Association as one of the "Certified Athletic Administrators" of 2021.

WELLNESS NEWS

Hello, Families ~ I hope everyone had a relaxing and enjoyable holiday break. In this new year, we often set new goals and resolutions for our health and that of our family. Is one of your goals to get outside more in the winter months? Health experts recommend getting outside every day – even though it is cold! The fresh air is good for us both physically and for our mood. The OSU Extension Office has amazing resources and suggestions for healthy activities as well as support for our mental health during the winter months. I encourage you to follow the Living Healthy Living Well blog at <https://livehealthyosu.com/>. And be sure to check out "Parents still make the difference" on our school website <http://www.southeast.k12.oh.us/district/student-wellness#>. These grade level newsletters offer many activities and strategies for school success for your student. I wish all of you a healthy 2022!
