Habit 4: Think Win-Win

Think Win-win means everyone can win. Instead of think about YOU and ME, win-win is about BOTH OF US. It is about finding a solution that will benefit everyone involved. WIN-WIN isn't about giving up what you want to make someone else happy, it's about making EVERYONE happy. It's looking for a solution that makes EVERYONE happy. When we Think Win-Win we...

- *problem solve when an issue comes up with another person
- *think about what other people want and not just what I want.
- *are kind to others and try to think of ways to help everyone to be happy.
