

What's Happening...

A school -to-Home Newsletter from the class of Mrs. Molnar

Here are some highlights of the week

August 28-September 1, 2023

Monday: Students will answer the essential question, Where do good ideas come from? We will define vocabulary and begin writing in our composition notebooks. Students will review place value.

Tuesday: Students will make, confirm, or revise predictions. We will spell words with short vowels and inflectional endings. Students will begin to take notes over Ohio's location and review directions.

Wednesday: Students will complete the Write About it Wednesday and read a Fairy Tale. We will discuss setting, plot, and sequence. Students will practice standard form, expanded form, and written form in math.

Thursday: Students will complete Think Outside the Box Thursday and share their work. We will review synonyms and discuss natural hazards.

Friday: Students will take a reading comprehension and vocabulary test. We will complete sentence dictation with short vowels and inflectional endings. Students will learn about Ohio being in the Midwest.
