NEWS & NOTES

We're MOVING: As you already know, this is my final year here in this building due to our new building opening in August. As I am cleaning and purging, I will be sending home various items I no longer need! I hope these can be used for further learning and fun at home!

Spring OHIO weather: These warm temperatures have been wonderful! Please keep in mind that there are days that it may not yet be warm by 12:00 when we go to recess! Be sure to send a coat with your child on those days!

Homework this week: This week I want to encourage your children to keep writing! Our two sight words (has/play) have been reviewed this week, but now your child has the chance to write them in a sentence!
