

# Mrs. Cockrill's Kindergarten

# NEWS

FOR the week of  
*December 18*  
December 18

## NEWS & NOTES

### Counting to 100:

This week's homework includes adding the missing numbers to a 100 chart. This reflects an important skill that we are working on here in kindergarten! Please be sure to practice counting to 100 orally with your child! This may be difficult for some students, so do not feel bad helping them! Please talk through all of the numbers and the patterns you see! Have fun helping your child recognize the patterns of numbers as we make our way to 100!

MERRY CHRISTMAS

I just wanted to take a moment to tell each one of you a very Merry Christmas! I hope that your Christmas time together with your families reminds you of the blessings you have been given, especially in these precious children. I am truly honored to be a part of your child's life and I am grateful for this! God bless you and Merry Christmas!

*Mrs. Cockrill*
