NEWS & NOTES

Caring for our Neighbors:

This week your child has been learning about who our neighbors are and how we can care for them! Today they listened to a story titled Mr. Willowby's Christmas Tree and even made their own "sharing tree" by mixing up pieces of their own decorated tree! Next week we will take our understanding of caring for neighbors a step further and will be creating cards to share with our Mount Eaton Community. Our hope is to go for a walk through the town before Christmas and sing and share these special cards with the workers in our community! This is always an exciting event for our class!

Gift Exchange:

See the attached note!

Santa Store:

Just a reminder....our class is scheduled to "shop" at the Santa Store on Monday, Dec. 11! If your child wishes to make any purchases, please send money in an envelope with your child's name on it! It would also help the adults assisting your child if you would make a list of the individuals they are shopping for and, if appropriate, their ages! Thank you!
