~ What we are learning and focusing on this week.~

Classroom Happenings

The Ohio State Reading Test for 3rd Graders is this week on Tuesday and Wednesday, October 24 and 25. A good healthy breakfast and a good night's sleep will help every third grader feel energized and ready for the test. A little extra love and hugs this week would also encourage them and go a long way in preparing them for this important time. How fun it will be to celebrate completing this at the end of the week! We got this!

Math

UNIT 3 - Subtracting 2- and 3-digit Numbers;
Exploring Bar Graphs, Area, and Partitioning Rectangles
