• The winners of the most creative Valentine's Day boxes were Owen and Aubrey! And the staff members who bravely kissed the snake were Mr. K, Miss Fallwell, and myself. Thank you for donating money to the PTO!

• February is National Children's Dental Health Month. Each February, the American Dental Association (ADA) sponsors National Children's Dental Health Month to raise awareness about the importance of oral health. Therefore, we will be having Mrs. Grismer come in to teach the class about dental hygiene on February 21st. She will be explaining healthy foods, how and when to brush and floss your teeth, and why it's important to keep your mouth clean. Handouts will be sent home that day for parents to enjoy.

• On Thursday, students will learn about birds, habitat, their adaptations and roles as they learn with Audubon toy bird replicas. They learn what makes a bird a bird, why birds are important, and listen to each bird's song.

• Academic Math Night for grades K-6 and Make-It Take-It for parents is scheduled for Tuesday, February 20, 2018 at Waynedale High School. Please sign up by February 9th if you plan to attend!! PIZZA, CHIPS, COOKIES AND DRINK WILL BE PROVIDED. Food served from 6-6:30 with games beginning at 6:30.

• Jump Rope for Heart information and order forms were sent home last week. There are a lot of really cool prizes your child can obtain and you can make your monsters come to life by downloading the free app (search "jump/hoops"). Just for registering online, you will get a free glow in the dark wrist band. If you would like more information please go to heart.org/jump
